

Dear colleague,

It is a pleasure to invite you for the **IPSO educational day 2025**, prior to the main SIOP congress in Amsterdam **on Saturday, October 18 and Sunday, October 19 2025, in the Princess Maxima Center, in Utrecht, The Netherlands.**

This year's meeting is a joint meeting with the SIOPEL, the COG liver group, and the Japanese Study Group for Pediatric Liver Tumor. On Sunday afternoon there are workshops (for IPSO members only) from the surgical 3D working group and a separate SIOPEL meeting at the Princess Maxima Center in Utrecht.

We have an interesting program for oncologists, radiologists, pathologists, biologists and surgeons. **Join us and register now.**

[Home | IPSO Educational days 2025](#)

Costs: Free registration, lunch at own expenses in the Princess Máxima Center restaurant.

*Optional: networking event on **Saturday evening October, 18th.***

Check the event website for detailed information about the program, venue, route description etc.

We are looking forward to meeting you in Utrecht.

Kind regards,
Local Organizers

Lideke van der Steeg, Kathelijne Kraal, Marc Wijnen and Jonathan Karpelowski
